Dear Sir. I have just received word about the dogs. Father was worried when he arrived home from the show because he could not bring the dogs along. He was nearly played out and as he has go to Doylestown Fair I hardly know what to say unless it be for you to Express them up and let him settle again for them for he told me he had not paid all on them yet. I will see our Messenger this Evening and if he cannot bring them tomorrow I shall Exp. them on Friday if agreeable to you.

Yours Rush. J. Wesley Riday.

My Dear Sir. Puppies arrived safely yesterday at 1 P.M. They seem to be in the best of spirits they jump and play all around me. They are beautiful & will take good care of them. The one Father brought up some weeks ago we named Jonie he said it was your request. After I let them out of box I brought Jonie in to see if he know them. He seemed glad to see them but the little Miss jumped on him and I guess if I had not been there she would have used him badly. I will have Father call in soon. Yours Truly L. Boyd Riday.
